

# Campaigns in General

In this Agitprop Course, we have looked at many ways and means of getting our message to the masses.

We have also discussed elections and strikes. But we have not yet discussed campaigns, as such, in a general way.

The attached document is the transcript of a speech given by Dr Blade Nzimande prior to the SACP's Red October, 2011, Campaign. Dr Nzimande is the General Secretary of the SACP.

The speech gives a general run-down on most aspects of the Red October Campaign and on campaigning in general.
